

Circus Starr: Where Every Child Belongs

Circus Starr is a unique, not-for-profit organisation on a mission to make the magic of circus accessible to every child — especially those who might not usually get the chance to experience it.

Mainstream events can be overwhelming or out of reach for families facing challenges like disability, bereavement, financial hardship, or domestic violence. That's why Circus Starr creates inclusive, judgement-free shows where joy is loud, movement is welcome, and being yourself is celebrated.

Each year, Circus Starr tours the UK with world-class performers, staging 148 unforgettable shows across 74 communities. With three annual tours, they bring smiles, laughter, and a sense of belonging to thousands of children and families.

Circus Starr is the circus with a purpose — Bringing families together to create treasured memories.

At **Hyde Flooring** we're passionate about giving back to our community — and that's why we're thrilled to support **Circus Starr**, a not-for-profit organisation bringing the magic of circus to children and families who need it most.

Their inclusive, accessible shows are designed especially for children with additional needs or those facing challenging times — right here in **Rossendale**. It's a joyful, judgement-free experience where every child can feel free to laugh, move, and be themselves.

This is more than entertainment — it's a chance to make a real difference.
